**CCA:** - Co-curricular activities are aimed at ensuring multi-dimensional development of students. They are breath and soul of any educational Endeavour. They open a window of opportunity for learners to showcase their talent and get it nurtured. Our zealous students exhibited their capacity and skill in activities like Hindi poem recitation, English poem recitation, Christmas tree decoration, rakhi making, Hindi and English calligraphy poster making, thank you cards, group song, group dance etc. and brought laurels to themselves and their houses.

**A tribute to grand Parents:-** Grand Parents are like the roots of the tree who nourish and nurture the plant silently. Grandparents' day was a day dedicated to these unsung heroes.
